

# Walk to School Day October 2015

## We are proud supporters of Los Angeles Walk to School Day!

We encourage Los Angeles school students to participate in Walk to School Day and visit us on their way home from school!

### About the event:

Walk to School Day is a yearly national event that encourages physical activity among children and youth. It is a way for parents, students, school personnel and other community members to directly experience the walk to school as they walk with students on the day of the event. It often generates wider teaching about the importance of physical activity, awareness of the benefits of walking, and early identification of safety concerns.
